The authentic look of a mortar-boosted clay roof

Eagle Roofing Products is pleased to introduce Boosted Capistrano. Through innovative manufacturing techniques, Eagle has created a product that closely emulates the look of a mortar-boosted clay roof.

Available in colors that duplicate the rustic tones of natural clay, Boosted Capistrano is the perfect choice for achieving an authentic look without the premium of a clay roof. Builders, Architects, Roofers and Homeowners that are looking for the classic look of a mission style roof will realize their vision with Boosted Capistrano.

Beyond beauty, a Boosted Capistrano tile roof provides durability that is backed by Eagle's Lifetime Warranty.

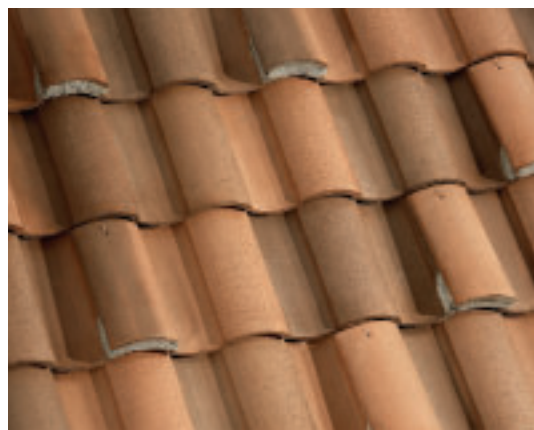

Ask your Roofer or Architect about additional application styles and techniques.
